

2018-19 SCHOOL YEAR

Student Code of Conduct and Due Process for Student Suspension and Expulsion

Code of Conduct

Students are expected to conduct themselves in such a way that they respect and consider the rights of others. Students of the District must conform with school regulations and accept directions from authorized school personnel. The Board will not tolerate violent, disruptive or inappropriate behavior by its students. Such behavior is punishable and will result in disciplinary action which may include suspension, exclusion or other forms of discipline.

This code of regulations applies while a student is in the care, custody or control of the school, on school grounds or close thereto, while at a school-sponsored function or activity or on school-owned or provided transportation vehicles. In addition, the Student Code of Conduct governs a student's conduct at all times, on or off school property, when such student conduct is reasonably related to the health and safety of other students and/or school employees, or such conduct would unreasonably interrupt or disrupt the educational processes of the Lakota Local Schools.

Students and parents shall be provided annually (at the beginning of the school year or upon entering the District) written information on the rules and regulations to which students are subject while in school and while participating in any school-related activity or event. The information provided shall include the types of misconduct for which a student is subject to suspension or expulsion from school or other forms of disciplinary action. The Board directs the administration to make all students aware of the student code of conduct and the fact that any violations of the student code of conduct are punishable.

If a student violates the code of conduct, school personnel, students or parents should report the student to the appropriate principal or assistant principal. The administration cooperates in any prosecution pursuant to the criminal laws of the State of Ohio and local ordinances.

When misconduct occurs, each student will be given due process in accordance with the Ohio Revised Code and as adopted by the Board.

The teacher is the key figure in school discipline. He or she is expected to make every effort to personally handle the usual problems of maintaining classroom discipline. When a disciplinary problem becomes acute enough to involve the school administrator, then the teacher should seek his/her assistance. Under these circumstances both the teacher and the administrator are expected to give the student his/her due process rights.

Levels of Offenses

Acts of misconduct are categorized into the following four levels of offenses:

Level I: Violation of general classroom, bus or school rules – Level I consists of minor offenses that generally occur in the classroom, on the bus or on school premises and can be corrected by the teacher, driver or school administrator.

Level II: Conduct requiring administrative intervention – Level II consists of offenses that are more serious in nature or persistent or serious Level I misconduct.

Level III: Suspension and/or removal to a disciplinary alternative placement program (APP)– Level III consists of offenses that significantly disrupt the educational process, school environment, and/or school-related activities, including bus transportation, or persistent or serious Level I or II misconduct.

Level IV: Expulsion and/or removal to a disciplinary alternative placement program (APP) – Level IV consists of serious offenses which include willful or malicious acts that have the effect of materially and substantially disrupting the educational environment in the school, on the school bus or at school activities or Level I, II, or III infractions depending on the severity or persistence of the act.

Level I Offenses

Rule 1 - Dress Code

The Board believes that student dress should enhance a positive image of students and the District. The standards of dress and grooming outlined are necessary to promote discipline, maintain order, secure student safety, and provide a healthy environment that is conducive to learning.

When a student is at school, participating in school activities or at school-sponsored events, his/her dress and grooming must not:

- A. Present a health or safety hazard to the student or to others in the school or attending the school-sponsored activity;
- B. Materially interfere with school work, create disorder, or disrupt the educational environment;
- C. Cause excessive damage or wear-and-tear to school property; and/or
- D. Keep the student from participating safely in his/her own education.

To facilitate a consistent pattern of application of the student dress code, the following standards shall be applied:

- Shirts and tops must cover all undergarments and have high enough necklines to cover all cleavage. Strapless, crop, and see-through tops are not acceptable.
- Lower garments should not drag on the floor or allow undergarments to be exposed when the student sits, stands, raises his/her hand, or bends over. Form-fitting lower garments must be worn under a shirt, skirt or dress that extends to the thighs.

- No skin should be visible between a student's top and bottom garment when the student sits, stands, raises his/her hand or bends over.

Building administrators shall judge student dress and grooming in individual buildings. The building administrator may exclude (i.e. not admit to class or suspend) any student, when in his/her judgment, the student is not following appropriate dress and grooming standards.

Exceptions to these standards may be considered based on personal circumstance, cultural beliefs and to promote school spirit. Students, who request an exception, must have parental permission to do so and obtain written permission from the building administrator prior to deviating from the standards of dress. A parent conference may be requested by the building administrator.

Rule 2 - Tardiness

A student shall be prompt to school and to class according to its scheduled time.

Rule 3 - Student Drivers

In order to promote safety and enable the school to effectively supervise students immediately before and immediately after school hours, only students who secure a valid permit that allows them to park on school property are permitted to drive to school.

The Superintendent, in determining the term of expulsion on a case-by-case basis, shall consider all of the relevant facts and circumstances, including (a) applicable Ohio or federal laws, (b) the student's disability, if applicable, and (c) extent of intent and culpability of the student. The Superintendent shall notify the appropriate criminal justice or juvenile delinquency authorities of these determinations.
